

COOLING & HEATING SYSTEMS

Split System Air Conditioners

Quality, Reliability and Value

10-Year All Parts Limited Warranty

Rock-solid warranty coverage to protect your investment. When you choose Airtemp® for your home comfort, your system comes with one of the best warranties in the business - 10 years on all parts.

1-Year Replacement Pledge

Outstanding Airtemp® products are worthy of outstanding protection. Should major component failure ever occur within the first year of operation, we will replace the product. See warranty details for more information.

See warranty details for more information.

15.2 SEER2 Air Conditioner

You can count on years of dependable energy efficiency when you choose an Airtemp® air conditioner. Designed with reliable performance in mind, Airtemp outdoor units complement every home.

- **Reduces Energy Consumption, Lowers Utility Bills**
- **Quiet Operation:** Engineered air discharge and high-efficiency fan motor for lower sound level system performance. For long lasting durability, the heavy duty fan motor is completely protected from rain and snow and requires no maintenance.
- **All-Aluminum Coil:** All-aluminum coil for increased durability and greater corrosion resistance.
- **Solid Protection:** Complete metal wrapper protects the internal components from yard hazards and extreme weather. Attractive, classic dark gray styling with contrasting louvered discharge grille for premium product appearance.
- **Compact, Low Profile:** Blends unobtrusively with all surroundings.
- **Built Strong:** Galvanized steel for added strength and durability, featuring silicone-protected polyester urethane finish that provides superior corrosion resistance.
- **Composite Base:** Is stronger than steel, absorbs sound and is corrosion resistant.
- **Environmentally Friendly Refrigerant**
- **Cooling Capacities:** 2 - 5 Tons.

Extra High Efficiency, Air Conditioner

15.2 SEER2 System

VSA3BF Series

2 THRU 5 TON CAPACITY

The VSA3BF Series of air conditioners offers exceptional performance. The unit, when combined with our engineered coils or air handlers, offers a line of quality, extra high efficiency split system cooling equipment.

Features & Benefits

- **R-410A Refrigerant:** Earth friendly non-ozone depleting refrigerant.
- **Composite Base Pan:** Absorbs sound and is corrosion resistant. Composite is also stronger and lighter than steel.
- **All-Aluminum Coils:** All aluminum coils in all models which provides high corrosion resistance.
- **Permanently Lubricated Motor:** A heavy duty PSC motor for long lasting reliability and quiet operation. Requires no maintenance and is completely protected from rain and snow.
- **Design Using Galvanized Steel:** With powder covered paint and a gloss finish that eliminates sharp edges and reduces scratching.
- **Removable Top Grille Assembly:** Allows ease of service from the top without disconnecting fan motor leads.
- **Peace of Mind Protection:** In-line filter drier supplied to protect sealed system from contaminants and high pressure switch protects against potentially damaging abnormal pressures for longer service life.
- **Top Assembly w/ Wire Discharge Grille:** Designed for maximum airflow and quiet operation.
- **Easy Compressor & Control Access:** Designed to make routine maintenance easier for the contractor, access panels are provided to all controls and the compressor from the side of the unit.
- **Complete Metal Wrapper:** Durable metal guard protects the coil from yard hazards and extreme weather damage. For routine maintenance or service, side panels can be easily removed and replaced without removing the top grille.

Warranty

- This product offers a 10-year all-parts limited warranty.
- This product offers a 1 Year Replacement Pledge to replace the unit if the compressor fails in the first year of operation, to the original owner.
- Consumer product registration required for 10 year All Parts Warranty and Replacement Pledge within a limited period of time after the installation.

See current warranty document or visit our consumer web site www.airtemp.com for warranty details.
