

COOLING & HEATING SYSTEMS

Split System Heat Pumps

Quality, Reliability and Value

10-Year All Parts Limited Warranty

Rock-solid warranty coverage to protect your investment. When you choose Airtemp® for your home comfort, your system comes with one of the best warranties in the business - 10 years on all parts.

1-Year Replacement Pledge

Outstanding Airtemp® products are worthy of outstanding protection. Should major component failure ever occur within the first year of operation, we will replace the product. See warranty details for more information.

See warranty details for more information.

15.2 SEER2 Heat Pump

You can count on years of dependable energy efficiency when you choose an Airtemp® air conditioner. Designed with reliable performance in mind, Airtemp outdoor units complement every home.

- **Extra High Efficiency:** 15.2 SEER2 and up to 7.5 HSPF2 efficiencies deliver enhanced energy savings.
- **Compact, Low Profile:** Blends unobtrusively with all surroundings.
- **Design Using Galvanized Steel:** With powder covered paint and a gloss finish that eliminates sharp edges and reduces scratching.
- **Solid Protection:** Complete metal wrapper protects the internal components from yard hazards and extreme weather. Attractive, classic dark gray styling with contrasting wire discharge grille for premium product appearance.
- **Quiet Operation:** Engineered air discharge and high-efficiency fan motor for lower sound level system performance. For long lasting durability, the heavy duty fan motor is completely protected from rain and snow and requires no maintenance.
- **Innovative:** All-aluminum coil for increased durability and greater corrosion resistance.
- **Environmentally Friendly Refrigerant**
- **Cooling Capacities:** 2 - 5 Tons.

High Efficiency, Heat Pump
15.2 SEER2 System

VSH3BF Series

2 THRU 5 TON CAPACITY

The VSH3BF Series of heat pumps offer exceptional performance. When selectively matched with our engineered coils or air handlers, they provide outstanding efficiencies of 15.2 SEER2 cooling and 7.5 HSPF2 heating in a high quality heat pump system.

Features & Benefits

- **R-410A Refrigerant:** Earth friendly non-ozone depleting refrigerant.
- **Composite Base Pan:** Absorbs sound and is corrosion resistant. Composite is also stronger and lighter than steel.
- **All-Aluminum Coils:** All aluminum coils in all models which provides high corrosion resistance.
- **Design Using Galvanized Steel:** With powder covered paint and a gloss finish that eliminates sharp edges and reduces scratching.
- **One Piece Top/Orifice:** Designed for maximum airflow and quiet operation.
- **Peace of Mind Protection:** In-line filter drier supplied to protect sealed system from contaminants and high pressure switch protects against potentially damaging abnormal pressures for longer service life.
- **Complete Metal Wrapper:** Protects the coil from being damaged. For routine maintenance or service, side panels can be easily removed and replaced without removing the top grille.
- **Compact, Low Profile:** Blends unobtrusively with all surroundings.
- **Demand Defrost:** Provides additional energy savings in heating by defrosting only when necessary.
- **Copeland Two-Stage Compressor:** The two-stage compressor operates at 2 different capacity points to provide superior comfort and efficiency.

Warranty

- This product offers a 10-year all-parts limited warranty.
- This product offers a 1 Year Replacement Pledge to replace the unit if the compressor fails in the first year of operation, to the original owner.
- Consumer product registration required for 10 year All Parts Warranty and Replacement Pledge within a limited period of time after the installation.

See current warranty document or visit our consumer web site www.airtemp.com for warranty details.
