

COOLING & HEATING SYSTEMS

Packaged Heat Pump Systems

Quality, Reliability and Value

10-Year All Parts Limited Warranty

Rock-solid warranty coverage to protect your investment. When you choose Airtemp® for your home comfort, your system comes with one of the best warranties in the business - 10 years on all parts.

1-Year Replacement Pledge

Outstanding Airtemp® products are worthy of outstanding protection. Should major component failure ever occur within the first year of operation, we will replace the product. See warranty details for more information.

See warranty details for more information.

13.4 SEER2 Packaged Heat Pump

All Airtemp® packaged units deliver dependable performance and their durable, attractive cabinetry complements its surroundings.

- **Efficient & Affordable:** Meets Department of Energy cooling and heating standards.
- **Compact, Low Profile:** Blends unobtrusively with all surroundings.
- **Quiet Comfort:** Heavy duty PSC condenser motor for quiet operation and long-lasting reliability.
- **Innovative:** Coil technology increases resistance against corrosion for years of dependable service.
- **Optional Electric Heat:** Field installed 5-20 KW.
- **Durable Finish:** Galvanized steel for added strength and durability, featuring silicone-protected polyester urethane finish that provides superior corrosion resistance, 50% better protection than standard outdoor finishes.
- **Attractive Cabinet:** Classic dark gray styling for premium product appearance.
- **Double Protection:** Wire coil guard and never-rust mesh hail guard protects coil surfaces from weather and accidental damage.
- **Environmentally Friendly Refrigerant**
- **Cooling Capacities From 2-5 Tons**
- **Raised Base Pan:** Allows water to drain away from the unit, keeping the components dry.
- **Designed For Slab Mounting w/ Horizontal Discharge**

Built to the highest standards for the American market All Airtemp® products are designed, assembled and repeatedly and thoroughly tested in North America.

Single Phase,
Single Packaged Heat Pump

13.4 SEER2, 8.0 HSPF

VQ94RD Series

2 THRU 5 TON UNITS

COOLING: 23,400 - 55,500 BTUH

HEATING: 21,800 - 56,000 BTUH

The VQ94RD Series single packaged heat pumps are high efficiency self contained cooling and heating units that can be installed on a slab. Units are ETL and ETLc listed.

Features & Benefits

- **Performance Testing:** Every unit is triple checked at each manufacturing stage and all electrical and mechanical components are run tested on the manufacturing line.
- **Peace Of Mind Protection:** For long service life, in-line filter drier supplied to protect sealed system from contaminants and high and low pressure switches protect against potentially damaging abnormal pressures.
- **ECM Blower Motor:** Fixed torque energy efficient motor lowers operating cost.
- **Energy Efficient Compressor:** State of the art scroll compressor is standard equipment.
- **Wire Guard:** Coated with earth friendly epoxy and plastic mesh hail that will never rust and protects the coil from being damaged.
- **Micro-Channel Coils:** Both indoor and outdoor all-aluminum coils are designed to optimize heat transfer, minimize size and cost, and increase durability and reliability. Eliminates corrosion.
- **Design Using Galvanized Steel:** with a polyester urethane coat finish. The finish is 1.5 mil thick and resists corrosion 50% better than comparable units.
- **Permanently Lubricated Condenser Motor:** A heavy duty PSC motor for long lasting reliability and quiet operation. Requires no maintenance and is completely protected from rain and snow.
- **Raised Base Pan:** Allows water to drain away from unit, keeping components dry.
- **Complete, Worry-Free Defrost:** Features first in industry patented system technology.
- **Compact Footprint**
- **Easy Component Access:** Designed to make maintenance easier for the contractor, access panels are provided.
- **Optional Electric Heat:** Field installed 5 - 20 KW

Warranty

- This product offers a 10-year all-parts limited warranty.
- This product offers a 1 Year Replacement Pledge to replace the unit if the compressor fails in the first year of operation, to the original owner.
- Consumer product registration required for 10 year All Parts Warranty and Replacement Pledge within a limited period of time after the installation.

See current warranty document or visit our consumer web site www.airtemp.com for warranty details.
