Airtemp™

Warranty effective for equipment manufactured after January 1, 2018.

TEN YEAR LIMITED PARTS ONLY WARRANTY – (REQUIRES CONSUMER REGISTRATION)

If any part fails due to a defect in material or workmanship within the Warranty Period (defined below), a replacement part will be provided free of charge except for the freight costs which are the owner's responsibility. **Nortek Global HVAC** will not pay for parts purchased in the field from other than a **Airtemp** distributor. **The owner is responsible for all labor and refrigerant charges.** Replacement parts are warranted only for the balance of the original Warranty Period. **In order to be eligible for coverage under this warranty, you must register within 60 days of the later of installation or occupancy. If registration is not completed within 60 days, the Warranty Period reverts to:**

5 year parts, 5 year compressor, 20 year heat exchanger (Applicable to second owner)

The registered equipment warranty is 10 year limited parts and lifetime heat exchanger (Applicable to original owner only)

ACCESSORIES: Airtemp accessories such as thermostats, whole-home electronic air cleaners and humidifiers, etc. installed as part of the system, are covered under this 10 year limited parts warranty. The Warranty Period for any accessories added 30 days or more after initial system installation is **1 year**. Consumables related to accessories are not covered.

APPLIANCE TRADE-IN OPTION: If a replacement heat exchanger is not available for this model furnace, **Nortek Global HVAC** will not issue a refund for the furnace, but will issue a credit to a **Nortek Global HVAC** distributor for the heat exchanger. The credit will be passed to the service firm and then to the user/owner of the appliance and be applied to the purchase of a new furnace.

THIS LIMITED WARRANTY NOT VALID FOR COMMERCIAL USE – SEE BELOW.

WARRANTY EXCLUSIONS:

1. **THIS WARRANTY DOES NOT COVER:** Labor or other costs incurred for diagnosing, repairing, removing, installing, shipping, servicing or handling of either defective parts, or replacement parts, or new units.
2. Any cost to replace, refill or dispose of refrigerant, including the cost of refrigerant.
3. Electricity or fuel costs, or increases in electricity or fuel costs from any reason whatsoever, including additional or unusual use of supplemental electric heat.
4. Equipment that is not a properly **Nortek Global HVAC** matched system per manufacturer's recommendations and the Air Conditioning Heating Refrigeration Institute (AHRI) is only warranted for 5 years. Indoor and outdoor appliances must be installed simultaneously.
5. Equipment ordered over the internet, other than from manufacturer, is not covered.
6. Failure and replacement caused by contamination from bacteria are excluded from warranty coverage (i.e. dirty sock syndrome). Consequential or other damage(s) caused by rust, brownouts, blackouts, oxidation, corrosion, water, water condition, freezing, fire, other abnormal environmental conditions or other natural acts are excluded from warranty coverage. Premature failure due to the use of inferior building materials such as high sulfur content dry wall, corrosive conditions caused by location, moisture, green slime, etc. are also excluded from warranty coverage.
7. This warranty does not apply to parts that fail as a direct result of environmental influences.
8. **Airtemp** indoor air quality products that can operate without the indoor furnace, coil or air handler such as stand-alone air cleaners, window air conditioning and humidifiers are excluded from this limited warranty.
9. The base warranty (i.e. the warranty applicable to unregistered products) is transferable. The upgraded registered warranty is not transferable.
10. The units must be installed and located in the 50 United States or Canada. Puerto Rico and Mexico are excluded.

WARRANTY EXCLUSIONS CONTINUED:

Limited Warranty Replacement Pledge

Warranty effective for equipment manufactured after January 1, 2018.

Dear Customer,

Congratulations on your decision to purchase the most reliable heating and cooling equipment. We are so confident in our product performance that we back it with the **Airtemp** Replacement Pledge:

If the **Compressor** in your **Airtemp** outdoor cooling/heat pump unit fails to operate during the first year of ownership, under normal use and due to a defect in materials or workmanship, a one-time replacement with a comparable **Airtemp** unit will be provided. A one-time labor fee up to $250 will be paid to the service company to replace the failed piece of above listed equipment. You are responsible for the balance of all labor charges.

If the **Heat Exchanger** in your **Airtemp** package gas/electric unit or furnace fails to operate during the first year of ownership, under normal use and due to a defect in materials or workmanship, a one-time replacement with a comparable **Airtemp** unit will be provided. A one-time labor fee up to $250 will be paid to the service company to replace the failed piece of above listed equipment. You are responsible for the balance of all labor charges.

Pre-authorization and return of the defective unit are required.

$250 one-time labor allowance applies to a compressor or heat exchanger failure only.

Exclusions:

The residence must be an owner-occupied, single family dwelling (apartment complexes are not covered under the Replacement Pledge.)

If it is a split system unit, it must be installed at the same time as the **Airtemp** manufactured and AHRI matched coil or air handler. The warranty period for the new unit continues from the original installation date of the previous unit.

The warranty must be registered within 60 days of the installation or occupancy. If registration is not completed within 60 days, the replacement pledge is no longer applicable.

Note: If your outdoor equipment is no longer available due to a change in government regulations or a change in technology, **Airtemp** will provide the latest equipment available. However, the latest equipment available may require changes to or replacement of the indoor evaporator coil and/or the connecting line set. All necessary changes or replacements of the indoor equipment or line set are the responsibility of the homeowner. In lieu of changing or replacing the evaporator coil and/or the connecting line set, the homeowner can elect to receive a new compressor.
